RE: Letter of intent: Charles W Steger Design Competition

This letter expresses our intent to submit one or more proposals to the Charles W Steger Design Competition for displays in the public spaces of the new VTRC-A building. The subject of the semester project for my class, CS 4634 "Design of Information" is the Design Competition. Students in the class will divide into 6 teams to research and develop proposals and working prototypes of engaging information displays relevant to the role of the new facility. At the end of the Fall semester, some of the prototypes will be selected for further development and presentation.

For the record, here are the names of students enrolled in the class:

Kevin Battersby	David Jacobs	Chad Rotermund
William Brady	Jesse Jones	James Ryburn
Patrick Burke	Robert Kania	Neal Schneier
Charles Chao	Yiu Leung	Mark Talley
Robert Chatterson	Joseph Liversedge	Tiffany Tate
Myles David	Luke Marrs	Weston Thayer
Benjamin Edwards	Daniel May	Christopher Usher
Scott Fernandez	James McIntyre	Alexandre Vann
Sarah Hendon	John Nein	John Wellington
Zachary Highman	Alexander Obenauer	Jeffrey Zhang
William Hunter	Eric Parton	

Yours truly,

Steve Harrison, AIA
