Hi-Fi Prototype Feedback

CS4784: HCI Capstone

Virginia Tech

Instructor: Dr. Kurt Luther

Grades

- All grades posted (except for this weekend's assignments)

- Every assignment has written feedback, not just a grade

- Read the feedback and act on it

Press releases

- All are posted on the blog
- No press release this week!
- Last one (#10) due Friday, May 1st

Evaluation report

- Due May 1st
- 3-4 page write-up
  - Build on 1-2 pages of text from evaluation plan
  - Describe any changes to the plan
  - Summarize the results of your evaluation
  - What lessons did you learn? What was surprising? How do these results inform your system design?

Final presentations

- ICAT Day
  - Monday, May 4, 2015
  - Moss Arts Center at VT
  - Details: http://www.icat.vt.edu/content/icat-day-3

- Free and open to the public

- CS4784 presentations from 3-4pm
  - Each team has ~~10~~ **8** minutes
  - Informal Q&A at the end

Final paper

- 5% of course grade
- Mostly a compilation of what you've already written and turned in
- Must revise based on feedback from instructor
- Due May 8th
